Continuation of Box 3:

The proposed amendment are not entered into consideration because of the following reasons:

Applicant has incorporated claim limitation of claim 11 into claim 1, thus claim 1 is now claim 11. The proposed modification to claim 1 changes the scope of the dependent claims that depend from the amended claim 1, creating articles that were not previously considered. Thus, further search and consideration is necessary.

Continuation of Box 11:

Regarding Applicant's response, the response is not found persuasive because it relies on an amendment that is not entered.
